June 13, 1979

City of Waukegan
c/o Mayor Bill Morris
106 North Utica Street
Waukegan, Illinois 60085

Dear Mayor Morris

Your solid waste disposal facility located south of Yorkhouse Road and on the east side of McAvee Road in Waukegan was inspected on May 25, 1979, by Mark A. Hutson, representing this Agency.

The inspection disclosed the following condition(s) which constitute violations of the Environmental Protection Act and Chapter 7 of the Illinois Pollution Control Board Solid Waste Rules and Regulations.

. . Leachate was observed to be seeping from the landfill on the east and south sides. The leachate on the south side is entering surface water in a swampy area. You should take immediate action to correct this situation

We suggest that you correct the aforementioned violations immediately. An acknowledgement of this letter is requested indicating the corrective action which you have taken or plan to take. Your degree of compliance will determine our next course of action.

Sincerely,

Kenneth P. Bechely, Northern Region Manager
Field Operations Section
Division of Land/Noise Pollution Control
